Audition Rules and Guidelines

- To qualify to enter the festival, a student must have been studying with an SFBAC NATS teacher for a minimum of six (6) months prior to the date of the Festival. If the student has studied with more than one SFBAC NATS member during those six months, both teachers will be named on the registration form.
- Applications must be postmarked by **Friday, April 2, 2010**. Late applications will not be accepted.
- All music must be memorized. The only exception to this rule is in the Aria division where it is permissible to sing oratorio excerpts from the score.
- Each performer is allowed eight (8) minutes, which includes time spent entering the room, conferring with the accompanist, singing, and exiting.
- **TO HONOR COPYRIGHT LAWS PHOTOCOPIES ARE NOT PERMITTED. ELECTRONIC DOWNLOADS MUST BEAR PROOF OF PURCHASE. This is a National NATS guideline and must be observed.**
- Singers choose their first selection. Judges may then request a second piece, an excerpt only, or ask a singer to stop midway through a piece.
- Mark all cuts clearly for the accompanist and judges.
- If a student has not met the requirements of a division, he/she will be allowed to sing during the festival but he/she will be ineligible for prizes. For example if a student is entered in the wrong category or presents a song that is not listed on the adjudication sheet the student will be disqualified. Adjudicators will evaluate the performance as usual but for “evaluation only”. At no time will the student be challenged directly. Any questions or challenges will be decided by the Festival Chairperson.
- Singers must perform the repertoire submitted with their registration form. *Repertoire changes constitute grounds for disqualification for the awards in that division. Students will revert to “evaluation only” status, and no fees will be refunded.*
- Entrants with outstanding fees must clear all obligations before performing.
- Audition times and locations will be sent to the student and teacher by **email** about a week before the Festival.
- If a division has fewer than 7 entrants it may be combined with another division. Likewise, if a division has more than 14 entrants, it may be divided into 2 or more divisions.
- First place division winners of a prior year’s Festival may not win in that division again; they must enter the next older age division.
- Winners are determined by judges’ scores. First place winners will receive \$100, second place winners will receive \$50, third place winners will receive \$25 and fourth place winners will receive a certificate of Honorable Mention.
- Winners are announced at the close of each division throughout the day. Singers must be present to learn their status. Adjudication sheets will be returned to teachers within 2 weeks of the close of the Festival. The names of the winners and their teachers will be posted on the SFBAC website within 5 days following the Festival. Results will be published in the May issue of the chapter newsletter.
- All singers will be accompanied by a NATS contracted pianist. ***Voice teachers may not accompany their students. No exceptions will be made.***
- Students may schedule a coaching session with the accompanist at their own expense. While accompanists may be willing to rehearse with students before the festival they have the right to decline to rehearse with a student if they feel a rehearsal is not necessary. We have endeavored to retain accompanists of the highest possible caliber; we urge you to respect their judgment as to the need for rehearsal.
